Dear Sir:

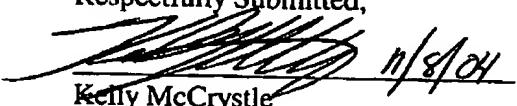

Enclosed herewith for the above-referenced patent applications are the following
documents:

1. Facsimile Cover sheet (1 page)
2. Facsimile Cover sheet indicating filing of original response on June 2, 2004 (2 pages)
3. Response to Office action as previously filed on June 2, 2004 (9 pages)

Applicants respectfully request reconsideration of the above-referenced patent application in view of the enclosed response to Official Action. As indicated by the certificate of facsimile transmission, a response was originally filed on June 2, 2004, wherein the incorrect cover sheet was included with the filing of the response. As shown in the confirmation sheet, the original transmission on June 2, 2004 included a total of 12 pages, therefore it can be readily determined that the incorrect coversheet was sent with the correct response and that the response to the outstanding official action was timely filed on June 2, 2004. Therefore, Applicants respectfully request reconsideration on this manner in view of the documents enclosed.

If any questions are raised through these papers, the undersigned may be reached at (650)-474-3326

Respectfully Submitted,
